

PECB Certified

ISO/IEC 27701 Lead Implementer Training

Become a certified expert in Privacy Information Management Systems (PIMS)

Why should you attend?

As data privacy becomes a strategic pillar for modern organizations, compliance with evolving data protection standards like GDPR, CCPA, and others is essential. This intensive 5-day course will equip you with the expertise to implement and manage a Privacy Information Management System (PIMS) aligned with ISO/IEC 27701 — the privacy extension to ISO/IEC 27001.

Gain hands-on expertise to guide your organization in handling Personally Identifiable Information (PII) responsibly, enabling risk reduction, regulatory compliance, and greater trust from customers and partners.

 Jakarta, Indonesia

 18 - 22 August 2025

Facilitator:

Robby Anzil

PECB Certified Trainer

The only Indonesia-based certified trainer for this course

What are the Benefits?

This comprehensive five-day training offers an in-depth, structured exploration of ISO/IEC 27701 through certified trainer-led sessions, hands-on implementation guidance, and real-world case studies. Participants will engage with official PECB training materials and complete the PECB certification exam on the final day. The program also includes a free exam retake option within 12 months and awards 31 Continuing Professional Development (CPD) credits upon completion.

This course is ideal for professionals responsible for managing privacy risk, ensuring compliance, or implementing ISO standards; particularly those working in or with privacy, security, or compliance teams.

Learning objectives

- Understand the concepts and framework of ISO/IEC 27701 and its relation to ISO/IEC 27001.
- Design and implement a PIMS from initiation to certification readiness.
- Apply privacy-specific controls for PII controllers and processors.
- Conduct risk assessments and implement privacy-by-design approaches.
- Lead PIMS monitoring, internal audits, and continual improvement.
- Prepare your organization for successful PIMS certification.
